Sir,

I have the honor to state that about 6 furlongs of the Davangere-Jagalur road passes through the Davangere Municipal limits. It is at the entrance of the town and there is much traffic on this portion of the road as a large number of carts pass over it to the several ginning factories situated round about it. Owing to this heavy traffic the road is constantly out of repair and is in a very bad condition.

The Municipal Council of Davangere have resolved to take over this portion of the road under their control for maintenance.

The Executive Engineer who was consulted in the matter, says that he has no objection to make it over to the municipality as desired.

The District Board has resolved that the road may be handed over to the municipality and the proportionate cost of maintenance viz Rs. 52-8-0 be paid to it every year by the District Board.

I request that sanction of Government may kindly be obtained for this.
